

High-Level

1. Pickup egg 2. Goto microwave 3. Heat egg 4. Goto table. Provide me with more details for a better answer.

I want to heat an egg. Can you guide me on how to do it?

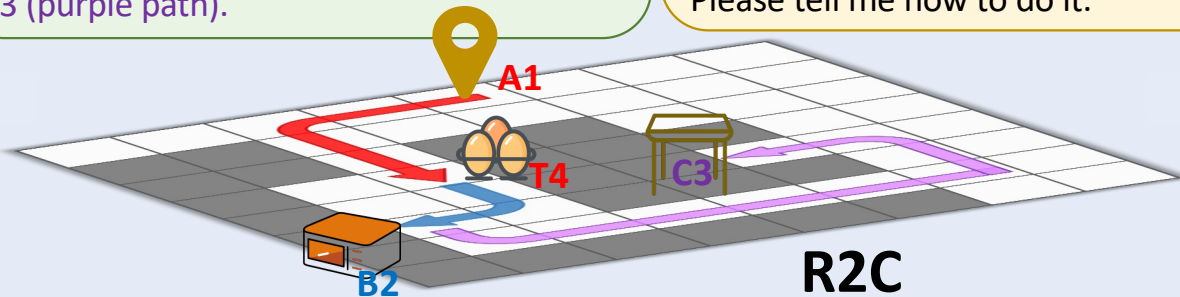

...

Low-Level

You need to first **move from A1 to the egg T4 (red path)**. Then, pick up the egg and **proceed to the microwave at B2 (blue path)**. Use the microwave to heat the egg. Finally, **place the heated egg on the dining table at C3 (purple path)**.

Let's play a game on the chessboard. The rules are as follows: ... The chessboard info: Egg: [T4]. Microwave: [B2] ... Your task is to heat an eggs Please tell me how to do it.
